The conversion of the land into Devadaya does not in any way adversely affect the interests of Government. It will however secure the land to the temple for all times, and prevent its alienation by others. Instances of this kind have been of not infrequent occurrence. If sanctioned, the information will be called for in future cases.

Recd 9/7/32 - Secy to Govt

Whether the tenure of a Sivier land may be changed to Inam when the alienation of the same does not involve any loss of revenue to Government is the point for order in the case. There are many Sivier lands belonging to religious and charitable institutions and the persons in charge of such institutions may apply for the change of tenure saying that the lands continue to pay the revenues which they now pay. But in most cases grants are being made to both Hindu and Non-Hindu institutions but they are not being treated as Inams. Hence the present proposal of the Revenue Board will introduce a new principle. In file No 15 3-26 part- Section 6 provides for the tenure of certain enfranchised Brahmadeya lands into Dharmadeya.

SIR,

In forwarding herewith the records relating to the proposals for the change of tenure of 4 acres out of S.Nos.159 and 63 of Avalkuppa village, Srinivasapur Taluk from Sircar into Inam, received with Kolar Deputy Commissioner's letter No.A.1-C.593/31-32 dated 2nd October 1931 (copy enclosed), I have the honour to state as follows:--

1. Mr. Sesha Sarma of Srinivasapur obtained on darkhast S.No.63 (wet) measuring 1 acre 14 guntas and assessed at Rs.8-4-0 and 4 acres dry assessed at Rs.8/- out of S.No.159 of Avalkuppa village, and the Patta of the lands was transferred in favour of Sri Sankaramatt at Srinivasapur.

2. The Mutt is under the control of the Muzrai Commissioner and is getting a grant ~~of~~ from Government. An additional grant of Rs.10/- for a Patasala is also stated to be paid to the Mutt authorities Mr. Sesha Sarma, the founder of the Institution, is stated to be taking great interest in its advancement, and has applied for the conversion of these lands into Inam with a view to prevent alienations.

3. The Deputy Commissioner considers that this is a fit case for granting the concession and recommends that if the assessment cannot be waived, the tenure may be changed from Sircar to Inam. I am not in favour of waiving the assessment, and recommend that the tenure may be changed from Sircar to Devadaya.

Sir,
Your most obedient servant,

Letter No.A.1-J. 593/31-32 dated 2nd October 1931, from the Deputy Commissioner, Kolar District, to the Revenue Commissioner in Mysore.

Subject:-- Change of tenure - Sirkar to Inam - 4 acres dry out of S.No.159 and S.No.63 (1 acre 14 guntas), Avalakuppa village, Srinivasapur Taluk.

In submitting herewith the petition of Mr. S. Seshasharma of Srinivasapur, I have the honour to state that S.No.63 (wet) measuring one acre 14 guntas and 4 acres out of S.No.159 (dry) of Avalakuppa village was obtained by him in darkhast and the Patta transferred in favour of Sri Shankara Mutt of Srinivasapur.

The Amildar of Srinivasapur Taluk reports that the Mutt is under the control of the Muzrai Commissioner, getting a grant from Government every year. An additional grant of Rs.10/- for a Patasala is also being paid to the Mutt authorities. It is also reported that Mr. Seshasarma, the founder of the institution is taking great interest in its advancement. He has petitioned for the conversion of these lands from Sirkar into Inam, as a special case, with a view to preclude alienations in future.

I am of opinion that this is a fit case for concession and recommend that the assessment on the survey numbers may be waived and a quit rent levied changing the tenure from sirkar to Inam. Even if the assessment cannot be foregone, the tenure may be converted Devadaya on the existing assessment.

OFFICE OF THE SUPERINTENDENT,
MYSORE REVENUE SURVEY,

Dated Bangalore,...3.2.....3.....1932.

FROM S.P. Rajagopalachari, Esq., B.A., B.L.,
Superintendent, Revenue Survey and Settlements in Mysore.

B.R. C 1346/51-32

TO

The Revenue Commissioner
in Mysore, Bangalore.

SIR,

With reference to your letter No.C.1346/51-32 dated 19th December 1951 re: the change of tenure from Sircar to Inam out of S.Nos. 159 and 63 of Avalkuppa village, Srinivasapur Taluk, I have the honor to state that the Inam Department has not till now dealt with proposals for the conversion of the tenure of Government assessed land with which private charity has offered to endow Puzrai Institutions. The work of Inam Settlement has all along been confined to the examination of cases coming up for Inam Settlement in which the main enquiry is "whether the grant in question is an Inam and has been made by an authority recognised in this behalf by the Inam Settlement Rules". If, therefore, orders of Government are obtained approving of the conversion of the tenure of the land, action will be taken by the Inam Department to register the case as a Devadaya in the Inam Register.

As regards the question whether as a matter of policy it is desirable to encourage transfers of Government assessed land to Religious and Charitable Institutions by permitting the conversion of the tenure of the lands from Government to Inam it may be stated that such institutions are commonly looked upon as meritorious and charitable and a policy of encouragement of such transfers would be in consonance with public opinion. To guard, however, against possible loss of revenue to Government on the one hand and to prevent collusive sales of Government assessed lands in the khate of temples etc. on the other it is sufficient to provide that instead of the usual procedure of sale and sale of the Inam lands themselves for arrears of land revenue

the arrears should be adjusted by attachment of the crops lands as in the case of unenfranchised Devadaya Inams.

The records are returned herewith.

I have the honor to be

Sir,

Your most obedient servant,
